

Your Ticket To Hands-On FUN! **GEOWORKS® Workshops**

- **WHERE AM I?** Learn about the unique creatures inhabiting cave zones, what bat species might be in your own backyard and play a great habitat game! (Gr. 3 & up)
- **JUNIOR CAVE EXPLORER** - Hands-on fun with 'caving basics.' Basic rules of safe caving with an intro to cave conservation, plus the *Caver's Squeezebox!* (Gr. K - 6)
- **FINDING YOUR WAY** - Study a variety of geology maps of PA and the area, followed by a grade appropriate student mapping activity on Warrior Ridge. (Gr. 3 & Up)
- **SINKING INTO KARST** - Karst terrain makes up 20% of the U.S. Explore its development on a surface geology tour and see first-hand why our above ground actions affect below! (Gr. 3 & Up)
- **CRAZY ABOUT CAVES** - Hands-on experiments enable students to 'see' how caves form, how karst landscapes form, concluding with a great cave craft to take home! (Gr. 2 & Up)
- **TROGLO WHO?** - Learn about the unique creatures inhabiting cave systems, their adaptations and dependency on each other through games & activities. (Gr. K - 6)
- **ROCKS ROCK** - Students visit various stations performing identification tests and learning fascinating properties of rocks and minerals (Gr. 3 & Up)
- **FOSSIL FANATICS** - Discover the PAST! Hands-on activities teach how fossils formed and provide clues to the history of our earth. Includes fossil craft & fossil hunt! (Gr. 1 & Up)
- **WHAT GOES DOWN MUST COME UP!** - Explore our FUTURE! Games, activities & hands-on experiments demonstrating the importance of protecting our groundwater. (Gr. 3 & Up)
- **BATTY ABOUT BATS** - All about these interesting creatures & their importance in our world with games, activities and a craft to take home! (Gr. K & Up)
- **S.O.S. - SAVE OUR SPECIES** - Bats, birds, flowers, plants - many are endangered. Students research their favorite & make a poster to display. (Gr. 3 & Up)
- **THINKIN' IN LINCOLN** - Study cave ecology with observation, experimentation, deduction & reasoning and blacklights too - inside the caverns! *Not available in May.* (Gr. 3 & Up)
- **NEW Not JUST JURASSIC** - Where have all the dinosaurs gone? Dig into the past and find out with a geologic time activity and a great mass extinction game! (Gr. K-6)
