Lincoln Caverns has been serving the Scouting Community for over thirty years. By providing activities that are both engaging and educational, Lincoln Caverns offers Cub Scouts an opportunity to learn and make memories that will last them a lifetime. Wolf Cub Scout Programs are available year-round in our Indoor Learning Center.

Event dates are ideal for smaller troops. To accommodate more scouts, registration on these event dates is limited to Cub Scouts, leaders, and registered scout parents. Event dates give scouts an opportunity to join others from Pennsylvania and nearby states to complete a scout-centered learning adventure. All programs include a pre-tour program about cave conservation and a cavern tour. Advance registration is required for all event day programs. Registration closes ten days prior to the event, or when the event has been booked to capacity.

PIN/PATCH	**Each program includes workshops, a pre-tour program about caves, and a 90-minute tour through two beautiful crystal caverns.**
DIGGING IN THE PAST WOLF ADVENTURE PIN	Discover fossilized treasures and learn about the history of life on earth. Scouts will play a game about dinosaur extinction, create a poster of an imaginary dinosaur, and make a "fossil" snack. They will also make a fossil and find one to start their own fossil collection.
FINDING YOUR WAY WOLF ADVENTURE PIN	Navigate a map of the local neighborhood and learn to use a compass! Map and compass skills are the backbone of an outdoor enthusiast's skill set, but also learn why we should all be knowledgeable in this skill set.
JUNIOR CAVE EXPLORER PATCH	Get ready to uncover wild secrets about the mysterious creatures that call caves home! Dive into the world of cave critters and see how their amazing adaptations help them survive in the dark. You'll even team up for "caving basics," where you can test your skills with the Lincoln Caverns' squeezebox and see if you've got what it takes to be a real cave explorer!
GOING BATTY PATCH	Learn which bat species live in your neighborhood. Be active with an exciting bat game. Bat anatomy, bat myths, and bat benefits are discussed. Scouts will make a poster about how we can be great neighbors to bats!
DOWN & DIRTY NOVA AWARD With Digging in the Past	Discover how the surface and underground habitats are connected.
